

## WHAT IS CALLCONNECT?

**CallConnect** is a unique bus service whose timetable is not fixed but responds to passenger requests. Routes are different each day depending on the bookings made by passengers. Journey requests can be made by telephone or online. The service is designed to improve transport links in the Oundle, Peterborough and Stamford areas including rural locations in South Lincolnshire, East Rutland, East Northamptonshire and rural communities close to Peterborough.

### Who can use CallConnect?

Everyone! All are welcome to use the service regardless of age or status. You can use the service as frequently as required for anything from shopping or travelling to work or school to a social event or medical appointment. Contact our booking centre and find out how we can help you.

### How do I book a journey?

You can book a **CallConnect** journey by calling our booking team on **0345 263 8153**. When requesting a bus journey, have your membership number and journey details ready. You can also submit your travel requests online at [www.wellandcallconnect.co.uk](http://www.wellandcallconnect.co.uk).

**You can make a booking up to seven days in advance and on the same day with a minimum of one hour's notice.**

*All bookings are subject to availability.*

### Where and when can I go?

**CallConnect's** fleet of minibuses operates throughout the Nene and Welland area including Stamford, Peterborough, Oundle and Thrapston. Each bus has its own clearly defined operating area and you can be picked up and dropped off at any designated location in your service area. Passengers can also request village-to-village journeys as well as undertake 'town' journeys in Stamford and Oundle. CallConnect also operates a regular service from Oundle to Stamford on Fridays. Please see the timetable overleaf.

### Pick up Points

Designated **CallConnect** stops are not always traditional bus stops. Please ask a member of our team to find out the location of your nearest pick-up point. A pick up closer to home may also be available if you have limited mobility, a disability or live in an isolated location. Please ask us for more details.

### Fares

The amount you pay to travel depends on your journey. Each service area is divided into zones – the further you travel, the more you pay. As well as standard single and return tickets, we also offer 10 Journey Multi-buy Saver Tickets which as well as being more convenient, provides discounts compared to standard single and return fares. Children aged between 5-15 pay half the adult fare and under 5's travel free with an accompanying adult. (Child Saver Tickets can also be purchased). Lincolnshire concessionary bus passes are valid on CallConnect at any time. Passes issued outside of Lincolnshire are accepted after 9.30am Mon to Fri and all day Saturdays.

## VISIT LOCAL ATTRACTIONS...

Stamford, 'the finest stone town in England', is in south west Lincolnshire on the River Welland. Stamford is renowned for its historical, religious and architectural wonder. Most visitors are impressed by the 18th and 19th century town houses, built during Stamford's second great period of prosperity in the Stagecoach era.

Oundle is an ancient market town located in East Northamptonshire on the River Nene, noted for its Farmers Market on the second Saturday of each month as well as a local Market each Thursday.

The town boasts an incredible history which has been inhabited since the Iron Age. Landmarks include one of Oundle's oldest buildings, The Talbot Hotel, rebuilt using some of nearby Fotheringhay Castles ruins and the 17th Century Rose and Crown Inn, said to be haunted by the White Cavalier!

Whether you're looking to shop or discover a little history and enjoy some lunch in this beautiful town, you will find Oundle easy to access with CallConnect.

### Thrapston

An attractive small town in East Northamptonshire, Thrapston is close to the River Nene and incorporates a great selection of tea rooms, pubs and speciality shops, plus a local Market every Tuesday.

Thrapston boasts a 'claim to fame' by displaying a stone tablet within the Church grounds, built on the site of an ancient castle. It shows the Washington Arms Family stars and stripes, as George Washington himself used to visit his Great-Great Uncle Sir John Washington in the town itself.

Character and charm create a beautiful place to visit and a stroll around Thrapston Lake will always be possible with CallConnect at hand.
